++ Valid for broadcast between 1800 and 0600

Headline:
Further heavy showers overnight. Sunshine and thundery showers on Wednesday.

This Evening and Tonight:
A cloudy night for most with heavy showers, which may turn thundery at times. A spell of more persistent rain is likely during the early hours of Wednesday morning, especially in the north. Still relatively warm and humid. Minimum temperature 9 deg C (48 deg F).

Wednesday:
A day with sunny spells and heavy thundery downpours. With blustery winds it may feel slightly cooler than Tuesday, but temperatures still around average. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
Staying unsettled through the rest of the week and into the weekend. A mix of sunshine and showers, some heavy and thundery, though easing somewhat by Saturday. Temperatures around average.
